

# Living the Tension Between Suffering and Grace

**MIRFIELD  
CENTRE**

In this day, we will think explore the tension in Christian faith between the experience of suffering and the experience of God's intervention in our lives through grace. How do faithful Christians understand suffering? What theological resources are there to engage thinking around this issue which then make an impact on Christian living and responses to suffering?

Saturday 23rd March 2019

Speaker:

**The Revd Erik Peeters**

10.00am-3.30pm

£22.00 (including lunch & refreshments)
