

Quiet Garden Day

**COMMUNITY OF THE
RESURRECTION**

This Quiet Garden Day will be a celebration of the fullness and abundance of God as the long season of Ordinary Time, draws to a close. As colours change and summer gives way to autumn, this day is an invitation to reflect on the way God works in us through every season of our lives. The 13th century abbess, Hildegard of Bingen, gave us the word 'veriditas' for the 'greening power of

God.' There are always parts of our life where something is beginning, something is flourishing, something coming to an end. Wherever you feel you are in this cycle of life, you are invited to come and spend some time in this quiet place of prayer, immersed in the beauty and vitality of God, whose love for you and the world is forever green.

Saturday 28th September 2019

Barbara Clarke, Associate CR

10.00am-3.30pm

£23.00 includes lunch and refreshments
