Our Retreat House accommodation is simple but comfortable, with many rooms overlooking the garden and orchard.

There are rooms on the ground floor with level access. Subject to availability, en-suite rooms are available in the Annexe.

The Retreat House also has an art room, large meeting room / library, and a small sitting room.

Our 20 acres of beautiful grounds contribute their own special joy and peace to any stay, with gardens, orchard, woodland and meadow to walk in or be still.

The Community of the Resurrection is an Anglican community of brothers, living together, seeking to follow the call of Christ in a common life of prayer, hospitality and learning in the monastic tradition founded by St. Benedict.

We gather five times a day to celebrate the liturgy and sing the daily prayers to plainsong, in service of God and for the healing of the world. This is a household of faith, which belongs within the Church of England and has friends across the globe.

All are welcome here in the Peace of Christ.
